My Student is Vaccinated...

Now that children have the opportunity to be vaccinated against COVID-19, if your child is identified as a close contact, the school nurse will ask if they are fully vaccinated. Close contacts who are fully vaccinated are not required to quarantine, but do need to be closely monitored for symptoms.

If your child is vaccinated and you would like to provide documentation to the school nurse, you may do so by sending in a copy of the completed vaccination card.

Covid-19 Symptom Checklist

You can find the updated Covid-19 symptom checklist [here](#).
