Dear Wyland Families:

Scholastic's **Buy One, Get One Free** Book Fair is a reading event that brings the books to school that kids want to read. It includes a wonderful selection of engaging and affordable books for every reading level. This summer is a great time for kids to read independently and explore topics and books that interest them. The BOGO Book Fair is a great way to stock up on books for your child's summer reading.

One of our BOGO Book Fair goals is to ensure as many children as possible have access to and receive books. One of the ways we can do that is through the "All for Books" program. With your help, donations through a **Lollipop Pull** will benefit Wyland's Library. Please take a moment to collect loose change for your child/children to participate in a Lollipop Pull. **For 25 cents children may purchase a lollipop and a chance to select a prize from the treasure chest.** All money collected will be doubled and used to purchase books for our library.

Not only does your donation help our cause, but Scholastic Book Fairs® will match monetary donations with a donation of up to \$1 million in books from The *Scholastic Possible Fund*, which distributes books to children in need through organizations such as Kids In Need Foundation, Reader to Reader, Inc., and the National Center for Families Learning.

Book Fair Dates: Monday, May 23, 2022 - Friday, May 27, 2022

*Please see individual class flyers for shopping dates and times during library.

On behalf of Wyland's students and teachers, THANK YOU!

Sincerely,
Mrs. Herold, LMS

EXPLORE A TYPICAL DAY AT OUR ALL-NEW 2022 PROGRAM

A.M. BASE CAMP

Drop off your camper with certified local educators who start each day with games that spark creativity.

ROBOTIC AQUATICS™:

Campers create a habitat for a robotic fish — complete with a symbiotic friend — and then take their fish home in its mini tank!

SPACECATION™:

Inspired by real space exploration, campers construct Spacepacks and Astro-Arm devices, mine asteroids and observe ice volcanoes!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

NIHF'S THE ATTIC™:

Combining science and art to build their own robotic artists, campers make spin art and learn that everyone can be creative!

MARBLE ARCADE™:

Campers get their game on as they experiment with the fun of physics and engineering to build their own mega marble arcades!

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

January 6, 2022

Dear Hampton Elementary School Families:

Please pass the word along to your friends and family – 2022 Kindergarten registration has begun!

Information regarding Kindergarten registration will be published in the local paper and placed on the HTSD Website (www.ht-sd.org). In the meantime, please spread the word to neighbors who may be new in the community or to those without children currently enrolled in the Hampton Elementary Schools. Registering on time is important so that the District can plan appropriately for the number of students who will be attending school in the fall.

Registration for Kindergarten and any first-grade students new to Hampton Schools will take place **virtually**. To register, please access the HTSD website www.ht-sd.org. Within the District tab, click the “About” Tab. Access the “Moving to Hampton” tab. Once there, families will find instructions for 2022 Kindergarten registrations under “Register My Child.” Upload completed packets and documentation to the appropriate elementary school.

All families are encouraged to complete the online registration process by February 4th.

Children ready to enter Kindergarten should be five years old by August 15, 2022. First graders should be six years old by August 15, 2022. A birth certificate or other acceptable evidence of birth and proof of Hampton residency (**closing papers, lease agreement, rent receipt or residency form AND utility bill, cable bill, paid wage tax receipt, driver’s license, guardianship form, or court order**) are necessary before children can be enrolled. Proof of immunization is necessary as well.

Parents of children who do not meet the above-mentioned age requirements must submit a written request for early admission to the building principal by April 15, 2022. This request should state reasons why early admission to school is appropriate for the child, including information and test data from the school(s) he or she may have attended previously. Admission will be based upon the recommendation of the school in which the student seeks enrollment and the authorization of the Principal and Superintendent.

Thank you for sharing this important information with the Hampton Community. If you have any questions, please reach out to Central Elementary Principal, Dr. Amy Kern, at 412-492-6320; Poff Elementary Principal, Dr. Colleen Hannagan, at 412-492-6335; or Wyland Elementary Principal, Dr. Laurie Tocci, at 412-492-6345.

Sincerely,

Rebecca J. Cunningham, Ed.D.
Assistant Superintendent

What is the HAE?

The Hampton Alliance for Educational Excellence is a nonprofit, all-volunteer organization established in 1992 exclusively for the educational enrichment of students enrolled in the Hampton Township School District. Its mission is to encourage, support, recognize, and reward excellence and innovation in all 5 schools by promoting educational programs that go beyond the basic curriculum to enrich the educational experience of students.

Who is the HAE Board?

It is a mix of parents from each of the schools in the district, alumni of Hampton High School, taxpayers without school age children, local business and industry leaders, and liaisons from the schools and the school board.

Five Reasons to Serve on the HAE Volunteer Board

Volunteering makes Hampton Township a better place to live. Are you looking for a way to get involved in your community? When you put in volunteer work, you make a positive impact on the community – and that makes it a better place for everyone. Volunteering helps build a more cohesive and stronger community. Our School District is an anchor for the community with a history and reputation of strong academic excellence.

Volunteering makes Hampton Township School District Better. From helping to implement a new music program to creating a hand-on science exploration exhibit, as a volunteer on HAE you actively participate in raising funds and awarding grants that have an amazing impact on the school district and the educational experience of our students in elementary, middle and high schools.

Volunteering gives you direct impact on learning in the District. HAE often helps where resources are limited and allows the district to have new and innovative learning experiences for the students at all levels in the district. As a board member, your vote matters. If you have students in the District, you can be an advocate or voice for your child's school.

Volunteering teaches you new skills and expands professional connections. Volunteering for HAE can teach you many different skills in a real-life setting. From leadership, to fundraising to marketing -- the list goes on. It provides an opportunity to meet business, school, and community leaders. It's good for both your personal and professional development and growth.

Volunteering develops close relationships with others. People who come together from the community to make Hampton a better place forge closer connections.

HAE is an all-volunteer board. As a member of the board, your commitment is to:

- Serve on the board for 3 years
- Attend monthly evening board meetings
- Serve on 1 or more committees of your choice including: (Race, Scholarship, Nominating, Grants, EITC or Marketing) giving you the opportunity to work closely with a small group and drive important initiatives.
- Participate in making the annual HAE 5K Race a success. As HAE's primary fundraiser, Board members are asked to reach out to a limited number of community businesses seeking financial sponsorship or other donations, and help on race day (Registration, raffle ticket sales, refreshments & other roles).

BEFORE AND AFTER SCHOOL CARE

Hampton Township School District at Central Elementary

(Serving Central, Poff, Wyland Elementary Schools)

EXCEL AFTER THE BELL

The Y makes the most of your child's after school time by offering active learning opportunities designed to engage and expand young minds. Housed in local schools, YMCA Before and After School Care gives your child the opportunity to participate in active play and collaborate on fun projects. But YMCA Before and After School programs are more than child care. They offer a path with a purpose. Students engage in a variety of structured activities that promote positive social interactions, indoor and outdoor play and reinforce academic learning concepts, as well as lessons in empathy, inclusion and service learning.

Metz
CULINARY MANAGEMENT
ENVIRONMENTAL SERVICES

Dear Parents and Guardians,

Welcome to dining services with Metz Culinary Management at Hampton Township School District for the 2021-22 school year. We look forward to providing the highest level of service to your child(ren) this year.

Hampton Township School District will be providing free meals to all students in all buildings during the breakfast and lunch periods.

We are actively preparing for how food service will operate on a day-to-day basis in the new school year, and are working with the District administrators each step of the way. Metz Culinary Management wants to assure you that our primary concern is the **safety** of all involved. We are committed to the highest level of sanitation, safety, and service. You can expect the following from our highly trained, professional team members:

- Our team members will practice social distancing during our shifts and service.
- We will require frequent handwashing.
- Our team members will work diligently on disinfecting tables and high touchpoints in the cafeteria and work areas.

In addition to the safety measures listed above, Metz Culinary Management will continue to use deposit envelopes for the students and staff to assist with the safe method of making payments. Students and parents will have access to these envelopes and of course you can still make electronic payments, which is encouraged. The deposit envelopes are to be filled out and handed to a cashier in the cafeteria in the morning or in the cafeteria line during lunch. The cashier will deposit those funds in the account later in the day and no change will be given, which will greatly assist with keeping physical contact to a minimum.

Our menu options will be prepared to the highest safety standards and will include a variety of fresh fruits and vegetables, whole grain breads, and an entrée, sandwich, or salad selection that your child will love while providing them with nutritious meal.

We are proud of our relationship with Hampton Township School District and are honored and proud to serve your child(ren). Please feel free to contact me with any questions or concerns.

Sincerely,

Mindy Baginski
