Dear Hampton Elementary School Families:

Please pass the word along to your friends and family – 2022 Kindergarten registration has begun!

Information regarding Kindergarten registration will be published in the local paper and placed on the HTSD Website (www.ht-sd.org). In the meantime, please spread the word to neighbors who may be new in the community or to those without children currently enrolled in the Hampton Elementary Schools. Registering on time is important so that the District can plan appropriately for the number of students who will be attending school in the fall.

Registration for Kindergarten and any first-grade students new to Hampton Schools will take place **virtually.** To register, please access the HTSD website www.ht-sd.org. Within the District tab, click the "About" Tab. Access the "Moving to Hampton" tab. Once there, families will find instructions for 2022 Kindergarten registrations under "Register My Child." Upload completed packets and documentation to the appropriate elementary school.

All families are encouraged to complete the online registration process by February 4th.

Children ready to enter Kindergarten should be five years old by August 15, 2022. First graders should be six years old by August 15, 2022. A birth certificate or other acceptable evidence of birth and proof of Hampton residency **(closing papers, lease agreement, rent receipt or residency form AND utility bill, cable bill, paid wage tax receipt, driver's license, guardianship form, or court order)** are necessary before children can be enrolled. Proof of immunization is necessary as well.

Parents of children who do not meet the above-mentioned age requirements must submit a written request for early admission to the building principal by April 15, 2022. This request should state reasons why early admission to school is appropriate for the child, including information and test data from the school(s) he or she may have attended previously. Admission will be based upon the recommendation of the school in which the student seeks enrollment and the authorization of the Principal and Superintendent.

Thank you for sharing this important information with the Hampton Community. If you have any questions, please reach out to Central Elementary Principal, Dr. Amy Kern, at 412-492-6320; Poff Elementary Principal, Dr. Colleen Hannagan, at 412-492-6335; or Wyland Elementary Principal, Dr. Laurie Tocci, at 412-492-6345.

Sincerely,

Rebecca J. Cunningham, Ed.D.
Assistant Superintendent

Junior Achievement (JA) is a nonprofit organization. It is the nation's largest organization dedicated to educating students in grades K-12 about entrepreneurship, work readiness, and financial literacy through experiential, hands-on programs designed to help young people understand the economics of life.

We are looking for 2 volunteers per classroom to teach the JA lessons. The volunteers act as the teachers for the day (the classroom teacher will be in the classroom throughout the day). All of the lessons are grade-specific with age-appropriate activities to reinforce the topics. JA provides the information and resources needed for the volunteers to teach students in the classroom. Dr. Tocci and Mrs. Kinney will lead an optional 1- hour JA volunteer training session at Wyland on Tuesday, March 1 from 6:00-7:00pm.

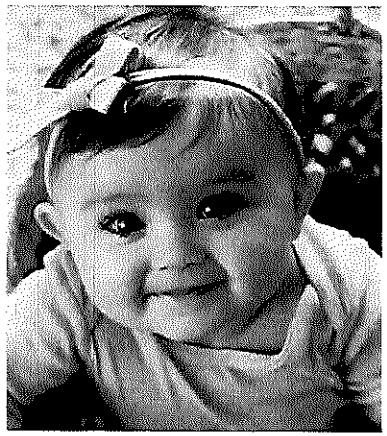

If you'd like to volunteer for your student's classroom, please sign up on the sign-up genius:

HAEE
Hampton Alliance for Educational Excellence

What is the HAEE?

The Hampton Alliance for Educational Excellence is a nonprofit, all-volunteer organization established in 1992 exclusively for the educational enrichment of students enrolled in the Hampton Township School District. Its mission is to encourage, support, recognize, and reward excellence and innovation in all 5 schools by promoting educational programs that go beyond the basic curriculum to enrich the educational experience of students.

Who is the HAEE Board?

It is a mix of parents from each of the schools in the district, alumni of Hampton High School, taxpayers without school age children, local business and industry leaders, and liaisons from the schools and the school board.

Five Reasons to Serve on the HAEE Volunteer Board

Volunteering makes Hampton Township a better place to live. Are you looking for a way to get involved in your community? When you put in volunteer work, you make a positive impact on the community – and that makes it a better place for everyone. Volunteering helps build a more cohesive and stronger community. Our School District is an anchor for the community with a history and reputation of strong academic excellence.

Volunteering makes Hampton Township School District Better. From helping to implement a new music program to creating a hand-on science exploration exhibit, as a volunteer on HAEE you actively participate in raising funds and awarding grants that have an amazing impact on the school district and the educational experience of our students in elementary, middle and high schools.

Volunteering gives you direct impact on learning in the District. HAEE often helps where resources are limited and allows the district to have new and innovative learning experiences for the students at all levels in the district. As a board member, your vote matters. If you have students in the District, you can be an advocate or voice for your child's school.

Volunteering teaches you new skills and expands professional connections. Volunteering for HAEE can teach you many different skills in a real-life setting. From leadership, to fundraising to marketing -- the list goes on. It provides an opportunity to meet business, school, and community leaders. It's good for both your personal and professional development and growth.

Volunteering develops close relationships with others. People who come together from the community to make Hampton a better place forge closer connections.

HAEE is an all-volunteer board. As a member of the board, your commitment is to:

- Serve on the board for 3 years
- Attend monthly evening board meetings
- Serve on 1 or more committees of your choice including: (Race, Scholarship, Nominating, Grants, EITC or Marketing) giving you the opportunity to work closely with a small group and drive important initiatives.
- Participate in making the annual HAEE 5K Race a success. As HAEE's primary fundraiser, Board members are asked to reach out to a limited number of community businesses seeking financial sponsorship or other donations, and help on race day (Registration, raffle ticket sales, refreshments & other roles).

Metz
CULINARY MANAGEMENT
ENVIRONMENTAL SERVICES

Dear Parents and Guardians,

Welcome to dining services with Metz Culinary Management at Hampton Township School District for the 2021-22 school year. We look forward to providing the highest level of service to your child(ren) this year.

Hampton Township School District will be providing free meals to all students in all buildings during the breakfast and lunch periods.

We are actively preparing for how food service will operate on a day-to-day basis in the new school year, and are working with the District administrators each step of the way. Metz Culinary Management wants to assure you that our primary concern is the **safety** of all involved. We are committed to the highest level of sanitation, safety, and service. You can expect the following from our highly trained, professional team members:

- Our team members will practice social distancing during our shifts and service.
- We will require frequent handwashing.
- Our team members will work diligently on disinfecting tables and high touchpoints in the cafeteria and work areas.

In addition to the safety measures listed above, Metz Culinary Management will continue to use deposit envelopes for the students and staff to assist with the safe method of making payments. Students and parents will have access to these envelopes and of course you can still make electronic payments, which is encouraged. The deposit envelopes are to be filled out and handed to a cashier in the cafeteria in the morning or in the cafeteria line during lunch. The cashier will deposit those funds in the account later in the day and no change will be given, which will greatly assist with keeping physical contact to a minimum.

Our menu options will be prepared to the highest safety standards and will include a variety of fresh fruits and vegetables, whole grain breads, and an entrée, sandwich, or salad selection that your child will love while providing them with nutritious meal.

We are proud of our relationship with Hampton Township School District and are honored and proud to serve your child(ren). Please feel free to contact me with any questions or concerns.

Sincerely,

Mindy Baginski
